WALLA WALLA
WASHINGTONWALLA WALLA GROWN
IRIS AND HEMEROCALLIS

Dear Garden Friends:

Greetings from the Hartman family, the new managers of the Walla Walla Flower Farm. You can be assured that we will strive to offer the same fine quality of plants which met the approval of so many satisfied customers in the past.

PLEASE NOTE:—Place your order early, because of limited stock of some varieties. Order carefully according to instructions.

Iris shipments start July 1st. Hemerocallis shipments will be made after August 1st generally, but if Spring shipments are desired they should be made very early—not later than May 15. For your convenience, please list substitutes. This will help when we put in something extra.

BONUS EXTRAS. On orders of \$10.00 or more, you may select additional varieties as Bonus Extras, up to one-third of the amount of your remittance. Figure the third in your favor, to make it come out even.

All quotations are made subject to the availability of stock when your order is received. We pay postage on orders of \$4.00 or more. Please add 50c to smaller orders. No C.O.D. Shipments are made. State of Washington orders are subject to 4% sales tax.

Thank you,

W. J. HARTMAN and SONS

GENERAL LIST OF IRIS

	EACH
ALI BABA. Large, unfading flower of garnet brown	\$ 1.50
ALICIA. Tall, stately silvery blue75
ALLINE ROGERS. Attractive copper-rose blend	1.00
